

Mornington Park Primary School

Steiner Class 2, 2025

We are looking forward to 2025 with greater anticipation for a wonderful year of teaching and learning and would like to advise you of Mornington Park primary School's voluntary financial contributions for 2025.

Schools provide students with free instruction to fulfil the standard curriculum requirements, and we want to assure you that all contributions are voluntary.

*However, the Steiner component is considered an **alternative form of instruction**. It is the delivery of the Curriculum through non-standard instructional methods and is considered 'Extra Curricula.' This means that it is therefore considered **optional** and provided on a **user pays basis**.*

Steiner parents will also receive a specific Steiner enrolment letter which outlines the costs of enrolment in the Steiner stream.

The Department of Education and Training have made some significant changes to Parent Payments moving forward. These changes will affect the way we manage fee paying in the Steiner Stream.

You will see from the Parent Payment template below that we have divided the payments into 2 sections. One will be voluntary as is promised by the Education Department. The other part is specific to Steiner.

The voluntary component which is the intention of this letter is because all children are entitled to a free education. Any voluntary contributions that parents do pay are used by the school to provide high quality programs and specific subject materials and equipment for: English, Mathematics, Science, Art, Music, Inquiry, Language and PE;

- Maintain and develop the school grounds;*
- Ensure the upkeep of our computer devices to enhance learning opportunities;*
- Maintain sufficient class sets of books for students to develop their reading skills;*
- Provide hands on maths equipment i.e.: measuring materials for teaching purposes;*
- Facilitate Literacy and Mathematics online digital subscriptions;*
- Arrange for individual student supplies and class bulk supplies;*

The school will always provide free access to our Mainstream Curriculum using standard instruction methods and materials. To assist families, we have made the payments as low as we possibly can without compromising the curriculum and the programs.

Should the Steiner program no longer be a financial option for families we can offer the support options listed, a shift to our free Mainstream program or assistance to enrol at your local Mainstream school.

PARENT PAYMENTS POLICY

ONE PAGE OVERVIEW

FREE INSTRUCTION

- Schools provide students with free instruction and ensure students have free access to all items, activities and services that are used by the school to fulfil the standard curriculum requirements in Victorian Curriculum F-10, VCE and VCAL.
- Schools may invite parents to make a financial contribution to support the school.

PARENT PAYMENT REQUESTS

Schools can request contributions from parents under three categories:

Curriculum Contributions

Voluntary financial contributions for curriculum items and activities which the school deems necessary for students to learn the Curriculum.

Other Contributions

Voluntary financial contributions for non-curriculum items and activities that relate to the school's functions and objectives.

Extra-Curricular Items and Activities

Items and activities that enhance or broaden the schooling experience of students and are above and beyond what the school provides for free to deliver the Curriculum. These are provided on a user-pays basis.

- Schools may also invite parents to supply or purchase educational items to use and own (e.g. textbooks, stationery, digital devices).

FINANCIAL HELP FOR FAMILIES

- Schools put in place financial hardship arrangements to support families who cannot pay for items or activities so that their child doesn't miss out.
- Schools have a nominated parent payment contact person(s) that parents can have a confidential discussion with regarding financial hardship arrangements.

SCHOOL PROCESSES

- Schools must obtain school council approval for their parent payment arrangements and publish all requests and communications for each year level on their school website for transparency.
