Thank you to the community past and present for our staff at this sad time. Jaki loved Mornington Park, choosing to teach here for over 34 years. Today is a sad day for us all as we Attend the celebration of her life.

**RIP Jaki
We will never forget you!**

Exciting happenings online

Students attended the online Wildlife Xposure Incursion: Vulnerable and Endangered Species. The program showcased a selection of Australian species listed as vulnerable, threatened, endangered and critically endangered and discussed the specific issues that have caused them to be listed with this status. The incursion was interactive and students were able to ask questions and saw possums, crocodiles, lizards and frogs to name a few. It was a great experience!
