Congratulations to our beautiful Year 6 graduates for 2021. Despite ceremonies being at school, the children had a ball with their friends. A USB provided to all students will make sure that families can enjoy it at any time. The Steiner ceremony was live streamed and enjoyed by those watching.

New Playground

We are incredibly excited to have received a letter from the Minister to say we were successful with our funding application for a new playground in the Junior area.

Remember that for the beginning of next year, the carpark is going to be out of bounds as Shire construction of the oval project begins. At the end of it, the current tennis courts will be made into a carpark with a more suitable surface for the winter months.
