**VALUES:** Honesty, Perseverance, Cooperation, Kindness, Responsibility.

## CONTACT TERM 4 2021

From the Principal Issue 16 Date: 15th October

### Transitioning Back to School

We are looking forward to having some of our children back next week. It has definitely been too long. Communication has been sent via Sentral as well as the calendar at the end of this newsletter, regarding dates for return to school.

I would like to acknowledge the wonderful work of our families and staff during this lockdown period. There is nothing like face to face teaching, however, I commend the teachers for the preparation and delivery of the curriculum and the attention they have given all students who engaged and I thank parents for doing everything they can to support us and their child's learning.

### Review

Just prior to the holidays, the school undertook a review. I mentioned in previous newsletters that this involves an outside reviewer and a panel, examining our School Strategic Plan/previously set goals and then setting ones for the next 4 years. The feedback we received from parents and students was so positive.

**Students** loved their school and held their teachers in high regard

"Everyone's so nice and supportive"

"We get the chance to challenge ourselves"

**Parents** loved the school

"School has a warm and welcoming culture"

"School always goes beyond the expected level"

"Parents would definitely recommend the school to other prospective parents"

Our plan will be available on our website shortly.

### Naplan Results

We are **incredibly proud** to say that our Year 5 student's Naplan Reading results were **ABOVE THE STATE AVERAGE!!!!**

# What's New

## Playground

If you live in the area, you may have noticed the new playground near Hardy St. This is a very welcome addition to our school. We know the children will love it.

## Shade Sail

New shade sails are in the process of being reinstated in the Senior area over the tables in front of Djumbana. Perfect place on a hot day for passive activities. Notice the tumbling bars have been reinstalled.

## New Electronic Sign

Exciting to have an electronic sign which will make it so much easier to present up to date information to the Community from the comfort of the office chair.
