VISION : Through a sense of connectedness to peers, teachers and the community, Mornington Park Primary School provides a safe and harmonious learning environment which nurtures the whole child for success in a changing world.

VALUES: Honesty, Perseverance, Cooperation, Kindness, Responsibility.

REMOTE CONTACT 2022

From the Principal Issue 3 Date: 4th March

School Council

We are looking for some energetic, interested and committed parents to join our School Council team. There are 8 meetings per year so it is not onerous.

Some of the key functions of school council with regard to the school are:

- to establish the broad direction and vision of the school within the school's community
- to raise funds for school related purposes
- to exercise a general oversight of the school buildings and grounds and ensure they are kept in good order and condition
- to ensure that all money coming into the hands of the council is expended for proper purposes relating to the school
- to inform itself and take into account any views of the school community for the purpose of making decisions in regard to the school and the students at the school

If any of this interests you, please contact the school as soon as possible.

Look what our amazing Preps are doing!

Prep S have started stitching their initials with their silver dolphin to decorate their library bags.

All Preps are settling in really well and very quickly gaining confidence to separate from families at the gate. They continue to surprise us every day with their capacity to build relationships with their teachers, buddies and their little friends.

Values at MPPS

In the primary years, the focus of Respectful Relationships is on treating everyone with respect and dignity. The age-appropriate lesson plans and activities help students learn new skills and build confidence and resilience. We teach the content by aligning it with our school values of **Responsibility**, **Kindness**, **Honesty**, **Perseverance** and **Cooperation**.

This term at Mornington Park PS all students will be developing vocabulary for their emotions to build self-awareness and empathy for others. The classes will also be looking at finding individual strengths and recognising strengths in others. They will be developing team skills such as listening, noticing, cooperating, and communicating through games and group activities.

SRC

Members for 2022

Congratulations to the team for 2022 and thank you for the time and effort that each of you put in to represent your peers. Preparing for the Easter Raffle already!

Prep/1M	Avery and Chloe	Prep S	NA

Racing Hearts

Some of our very lucky year 5 and 6 students look forward to attending 'Racing Hearts' each week. The program is designed to teach wellbeing skills to children whilst they learn how to support ex race horses. Building relationships, setting boundaries and recognising emotions in yourself and others is the main goal of the program.

This week we were very surprised to find Channel 7 at the program. They are making a documentary about the program to be aired on Channel 7 in August this year. You can see our children in the background working with the horses and volunteers as Lisa is being interviewed. This program is Lisa's dream and has become very successful and much sought after. We feel very privileged to be a part of it.

Maddie was lucky to be interviewed....

PADUA
COLLEGE

PADUA COLLEGE

2022 DISCOVERY TOURS

Prospective families are invited to come and experience a taste of the curriculum, sporting, cultural and spiritual life that Padua College can offer your child.

Meet our staff, see the school in action and learn more about plans for building a new Year 7-8 Centre at Mornington and smaller class sizes.
