Remote Learning

Sadly, we find ourselves in lock down again. Even though there are scientific developments helping us to understand the virus more, including discovering a vaccine, the effects are the same. We are really looking forward to having the children back as soon as possible.

Huge thank you to staff who have magically put together very precise and comprehensive packs for the children to do at home. Packs were hand delivered to every family, which is a great effort from all staff. Please keep the work as teachers will be wanting to collect and assess it.

I know that devices have not come home this time as we were hopeful that the lockdown will not last. However, should it look like continuing, we will be reassessing the situation.

This year, our specialist teachers are supervising the children at school, whilst the class teachers are contacting individual children via phone. ES staff have been phoning to check in on families and to gain some feedback for our review later in the year.

Thank you so much for the overwhelmingly positive feedback and the constructive suggestions for improving the school. Our teachers are absolutely 10/10 and you have confirmed this with your feedback. Playgrounds came up a few times and it just so happens that we are in the process of upgrading. It has been passed through School Council and we are very excited to inform you that the new playground will be positioned on the grassed area near the dirt car park. I am attaching a photo on the next page.

Of course the children's feedback has played a huge part in the design. They want balancing, climbing and bars for swinging. This playground is for the junior school predominately. The senior playground is having new swing bars installed which we know they love.

Cross Country

Congratulations to Tui for making it through to Reginal level. A fantastic effort ! Unfortunately this has been cancelled for now. Lets hope she can get the chance to compete later in the year.

Well done Tui from all of us!

Sovereign Hill

Just prior to lockdown, our fabulous year 5's and 6's went for a day trip to Sovereign Hill. As part of their studies of Australian History. Although it was cold and dark when they left and returned, the children had a fun time, learning so much about the way life was in those early days.

Thank you to parents for getting the children at school so early in the morning. To the staff for your care and organisation and a huge thank you to the children for receiving such positive feedback from the staff at Sovereign Hill. We are so proud of you!
